

SPCA SERVING ERIE COUNTY SHELTER TOURS

Bringing Our Community Home

The SPCA Serving Erie County offers shelter tours for all audiences. Learn more about the SPCA while meeting some of our adoptable furry, feathered, scaled, or hooved friends.

A shelter tour allows your group to learn more about the SPCA while seeing how we actively work with our community and animals!

COST

A nominal fee of \$50 applies for a tour.

WORKING WITH THE SPCA

Many groups want to help the SPCA make a difference in the lives of animals and people. Talk to us about our **service learning opportunities** or even about forming your own **PACK!** Animal Club.

LEARNING EXPERIENCES

Shelter tours are designed to be a valuable learning experience for your group. Tour guides can explore:

- Animal Safety and Dog Bite Prevention
- Critter Careers
- Partnering with Our Community: A Shelter on a Mission
- Disaster Preparation for Your Pets
- Being a Responsible Pet Owner
- Animal Cruelty
- Wildlife Warrior

Conducted on Tuesday and Thursday evenings at 6:00, tours last approximately 60 minutes. Designed to be interactive, we strongly encourage your group to prepare and ask questions.

PARTNERING WITH OUR COMMUNITY!

A minimum of 6 weeks is required to secure a tour date. Please call Andrea Mortimer at (716)799-8651 to schedule a shelter tour. Tour groups cannot exceed a total of 20 people.
