

VETS & PETS

MAY 16 – 31, 2016

SPCA adoption fees waived for military personnel

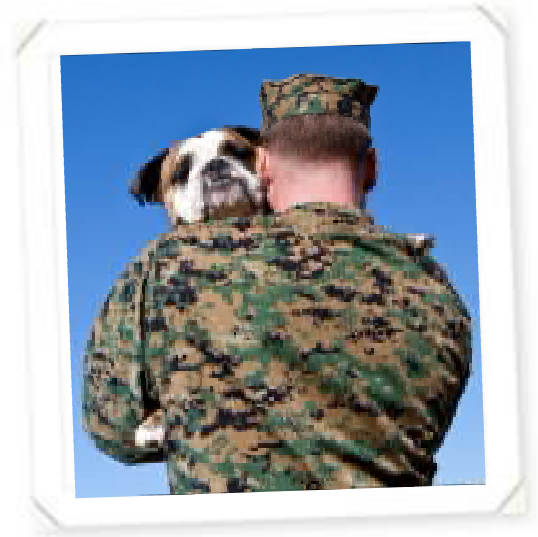

In honor of Memorial Day and the selfless commitment of our nation's military personnel, the SPCA Serving Erie County will waive all adoption fees* May 16 through May 31 for servicemen and women who are on active duty, reserves, military retirees, and honorable discharged veterans. (Military ID or DD-214 is required.)

Research has shown that veterans significantly benefit from the companionship of a loving pet.

This mutually-beneficial relationship encourages adjustment back to civilian life for the veteran while giving the pet a new home and a second chance. The SPCA considers VETS & PETS just a small expression of our gratitude for all that has been given by our military personnel on behalf of us, our country, and the freedoms of people across the globe. Thank you.

**Standard \$30 administration fee will still be required.*

ANIMALS CAN BE ADOPTED FROM ANY SPCA LOCATION:

- 205 Ensminger Rd., Tonawanda;
